CHP officers shoot suspect after pursuit

THE BAKERSFIELD CALIFORNIAN

Officers with the California Highway Patrol shot and caused major injuries to a suspect who reportedly brandished a weapon at them early Sunday near Weedpatch Highway and Farmers Lane, the Kern County Sheriff's Office reported.

A department news release said CHP officers had been pursuing the suspect's vehicle until it stopped about 4 a.m. at a dead end on Farmers Lane.

That's when the suspect brandished the weapon at the officers and they shot the

person, according to the 6:17 p.m. news release.

The officers were not injured and the suspect was taken to Kern Medical, the sheriff's office reported. It said the CHP asked the department to investigate the shooting, and that the investigation was ongoing.

The department did not identify the officers or the suspect, and no update on the person's medical condition was provided.

Anyone with information on the incident was urged to contact the Sheriff's Office at 861-3110.
